Part One Building the Foundation	1
Contents of This Guide	5
Getting Ready	7
Activity 1: Building the Foundation for Understanding Quality Assessment.....	8
“Inside the Black Box: Raising Standards Through Classroom Assessment” ..	10
Part Two A Vision of the Perfect Assessment System	25
The Perfect Assessment System	27
Fundamental Beliefs and Values	28
What is “Assessment <i>for</i> Learning”?	33
The Active Ingredients	35
Carefully Defined Achievement Expectations	35
Honoring All Users and Uses.....	36
Dependable Evidence of Learning.....	37
Effective Management and Communication of Results	38
The Promise of Balanced Assessment Systems.....	39
Research Results	39
Summary: Balance Is Essential	40
Activity 2: “Emily’s Story”	42
“Emily’s Story: A Story of Classroom Success”	43
Part Three The Path: Five Doors to Excellence in Assessment	49
Overview of the Path to the Perfect Assessment System	51
Door 1: Focusing on Achievement Expectations.....	53
Agreeing on Achievement Expectations	53
Creating an Effective Curriculum	54
Teacher Mastery of Student Standards.....	56
Summary	57
Door 2: Serving ALL Assessment Users	58
Understanding Who the Users Are	58
Planning for Classroom Assessment	61
Planning for Standardized Testing.....	61
Summary	63
Door 3: Developing Assessment Literacy.....	64
Keys to Quality Classroom Assessment	64
Why Assess? To Serve the User’s Information Needs	66
Assess What? Clear Targets	67
Assess How? Assessment Design to Promote Accuracy.....	67
Communicate Results How? In a Timely and Understandable Manner.....	68
Involve Students—Make Assessment Instruction	70
Barriers to Accurate Assessment.....	72
A Lack of Time to Assess Well	72
An Institutional Barrier to Quality	74
A Community Barrier to Quality.....	74
The Ultimate Barrier to Quality.....	75

Removing the Barriers	75
The Nine Principles of Assessment <i>for</i> Learning.....	75
Organizing Learning Teams for Professional Development in Assessment <i>for</i> Learning	76
Summary	77
Door 4: Communicating Effectively About Student Achievement	78
Door 5: Creating a Supportive Policy Environment	80
A Sample District Assessment Policy	80
Personnel Policy and Excellence in Assessment	81
Rethinking Other Relevant Policies	82
Summary	83
Summarizing the Path to Excellence in Assessment	83
Activity 3: Creating an Assessment Profile for Your School/District.....	85

Part Four The Required Skills for Assessment Balance and Quality:

Ten Competencies for Educational Leaders	95
Leading Assessment <i>for</i> Learning.....	98
Competency 1	101
Activity 4: ATI Interactive Video: <i>Evaluating Assessment Quality:</i> <i>Hands-on Practice</i>	104
Activity 5: Analyze Assessments for Clear Targets	105
Activity 6: Developmental Continua for Teachers	109
Competency 2	124
Activity 7: Classroom Assessment <i>for</i> Learning.....	127
“Classroom Assessment <i>for</i> Learning”	128
Activity 8: Principles of Assessment <i>for</i> Learning: A Self-Analysis	133
Activity 9: Converting Learning Targets to Student-Friendly Language	136
Activity 10: Ways That Teachers and Students Use Formative Assessment	138
Activity 11: Using Feedback to Set Goals.....	143
Resource 1: Using Test Results to Self-Assess and Set Goals	148
Resource 2: Student Self-Assessment and Goal-Setting Activities	152
Competency 3	155
Resource 3: Implementing the Written Curriculum	157
Activity 12: Deconstructing Standards into Classroom-Level Achievement Targets: Practice for School Leaders	161
Activity 13: Using Interviews to Hire Teachers with Content Knowledge and Assessment Competence	170
Activity 14: Auditing Your Classroom Curriculum	172
Competency 4	175
Activity 15: Should Teachers Be Held Accountable for Assessment Competence Through Evaluation?	176
Competency 5	178
Activity 16: Analyzing Your Professional Development Program	180

Activity 17: Learning Teams for Assessment Literacy184
 Resource 4: How Principals Can Support Learning Teams187

Competency 6194
 Resource 5: Conducting an Assessment Audit198

Competency 7202
 Activity 18: Using School/District Policies to Support Quality Assessment204

Competency 8210
 Activity 19: Grading Scenarios213
 Activity 20: ATI Interactive Video: *Report Card Grading: Strategies and Solutions*218
 Activity 21: When Grades Don't Match the State Assessment Results219
 Resource 6: Rubric for Grading.....221
 Resource 7: A Standard Cover Letter to Parents.....225

Competency 9227
 Activity 22: Merging Local and State Assessment Systems228

Competency 10230
 Activity 23: "Is This Responsible?"233
 Resource 8: Guidelines for Test Preparation and Administration237
 Activity 24: A Self-Analysis for School Leaders242

Part Five Planning for Action247
 Activity 25: Connecting Assessment *for* Learning to Other School Improvement
 Initiatives250
 Action Planning for Assessment Balance and Quality.....254
 Closing the Gap255
 Action Planning Templates257
 Additional Planning Considerations264
 The Comprehensive Assessment Plan264
 Helping Policy Makers Understand Balance and Quality264
 Communicating and Monitoring the Plan265
 Reconciling Current and Future Systems265
 Evaluating the Action Plan.....266
 Case Study of an Individual Teacher or a Few Teachers266
 The Study of a Learning Team.....267
 The Study of a School District.....267
 Classroom Action Research—The Study of Impacts on Students267
 Two Evaluation Focal Points268
 Process Evaluation268
 Evaluation of Impact269
 In Closing270
