

Descriptive Analysis Worksheet for BASIC CONCEPTS

The concept word(s) assessed is listed in the first column after the item number. The concept category is indicated by an open box in the appropriate column. Put a plus (+) or minus (-) in the open box to indicate examinee's response.

Item	Concept Word(s)	Concept Category					
		Size	Position/Direction	Quantity	Shape	Time/Sequence	Comparison
1	big						
2	under						
3	one						
4	upside down						
5	small						
6	square						
7	tall						
8	on						
9	none						
10	middle						
11	on						
12	top						
13	outside						
14	round						
15	in						
16	first						
17	many						
18	most						
19	bottom						
20	different						
21	in front of						
22	near						

Item	Concept Word(s)	Concept Category					
		Size	Position/Direction	Quantity	Shape	Time/Sequence	Comparison
23	same						
24	around						
25	next to						
26	last						
27	behind						
28	less						
29	center						
30	second						
31	below						
32	between						
33	third						
34	fewer						
35	under						
36	couple						
37	left						
38	half						
39	alike						
40	right						
41	equal						
42	bottom left						
43	quarter						

Summary:

Concept Category	# Correct	# Incorrect
Size		
Position/Direction		
Quantity		
Shape		
Time/Sequence		
Comparison
