Training and Professional Development

Onsite Offerings

Getting Started with DRA2+

Onsite workshop for up to 30 participants

Price: \$3500

Who: Educators, Literacy Coaches, District Reading Supervisors, Reading and Intervention Specialists

This professional development workshop includes a full day of in person instruction provided by a Certified DRA2+ Consultant. This training will go beyond product orientation and participants will understand the strong connection between DRA2+ and reading achievement. Participants learn to allocate instructional materials, group students based on need, and plan effective instruction to ensure development in reading and literacy. Participants use the DRA2+ resources to enhance instructional requirements and tailor teaching methods based on the needs of all students. Training will be adapted to cover paper only, the Online Management System (OMS) or the DRA2+ app. Typically, this training day is divided into 2 sessions by grade level: K-3 and 4-8.

Learning Objectives:

1. Identify the organization and content of the DRA2+ Formative Assessment and supporting resources
2. Use and score assessments with the DRA2+ scoring continuum and assessment tools
3. Identify a student's independent reading level and document progress over time
4. Integrate the Focus for Instruction into daily lesson planning

Due to the hands on experience with our onsite workshops we limit the number of participants to 30.
