

I don't remember my password. How do I change it?

At the Sign In screen, click **Forgot Password**.

Enter your user name and click **Send reset link**.

You will receive an email (based on the email that is associated with your WSO user name). After receiving the email, click the link to reset your password.

If you don't receive an email from Support@schoolsuccess.net (please check your spam folder), contact Pearson Technical Support at 1-800-874-0914, Monday–Friday, from 7:00 AM to 6:00 PM Central Time or email Pearson at support@schoolsuccess.net
